## Principal's Message

We would like to thank all of our River View families for their commitment to their child's education especially during this return to Online Learning! Our students are engaged and participating in high numbers and for that we are grateful!

A huge thank you goes out to all our families that completed the 'Student Census Survey 2021'. Your voice counts!

The school is currently closed however, we are still able to retrieve messages from the phone and emails from the school website. If you require anything from the school including technology support or if you have a question or concern, please leave a voice message on the school telephone or send an email to [rvw@dsbn.org](mailto:rvw@dsbn.org). We will reply as soon as possible.

We are hopeful that you are all well and are staying safe and healthy!

We've got this Red Hawks!

## Attendance during Online Learning

If your child will be absent because of an appointment, illness or other reason, please notify their homeroom teacher directly.

## Happy Mother's Day

On May 9<sup>th</sup>, the date that has traditionally been celebrated to show appreciation to all the mothers in our life, we encourage all of our River View families to show gratitude and kindness for everyone who shows care for us - which includes all family members and friends. As we celebrate and honor the caregivers in our lives, we can use this as an opportunity to recognize and celebrate the diversity of all family structures.
