Our Intermediate soccer team is practising hard to prepare for their upcoming festival on October 2nd!

NATIONAL DAY FOR TRUTH AND RECONCILIATION

Our students and staff are encouraged to wear orange on Monday to honour Survivors of residential schools and their families and communities.

Together, we will continue to keep the conversation going and find ways to be actionable each and everyday.

Cross Country

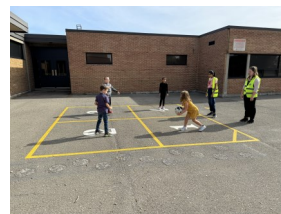

This year, our River View Cross Country team is made up of around 30 student runners from Grades 3 to 8. Based on their age, runners participated in 1km to 2km long distance runs. We also had 10 Grade 7 and 8 students head to the meet as helpers to run the event.

We appreciate all of the work Mr. Friya, Mrs. Musgrave and Mrs. Friesen have put towards supporting our students by coaching, organizing and supervising. Our students compete again on Tuesday, October 1st at Fireman's Park. All the best runners!

PALS in action!

Our Grade 7 & 8 student leaders are teaching leading our Primary students in fun games and activities during the recess breaks!

We are half way to meeting our Terry Fox goal of \$1600. You can still make donations at:
